Message from the President

South Florida Bible College & Theological Seminary (SFBC&TS) was founded in 1985 to prepare dedicated men and women for service to the Lord through quality Christian education. The Lord has richly blessed our efforts through the years, and in 2015, SFBC&TS celebrated its thirtieth year in the Lord’s service. SFBC&TS provides a theological education wherein Biblical standards of Christian faith and life are established and maintained. This is accomplished through: quality instruction, the study of theological concepts, cultivation of a spiritual life, and performance of Christian service. These are truly “works of service through which the body of Christ may be edified.”

At SFBC&TS, students are challenged to think critically; work independently, communicate clearly, and express themselves creatively while at the same time offering students a warm, personal college setting that many institutions aspire to attain.

Many SFBC&TS graduates achieve success as teachers, administrators, youth ministers, missionaries, pastors, counselors, as well as obtain accomplishments in other professions. Whether attending part-time or full-time on campus or through distance learning, students can fulfill God’s educational plans for their lives while, at the same time, spreading the Gospel to non-believers and sharing the love of Jesus with fellow Christians.

On behalf of all of us, it gives me great pleasure to welcome you to SFBC&TS.

“Come join us in making history.”™

In Christ,

Mary Drabik, Ed. D.
President
Vision Statement

SFBC&TS’ thirty year vision has been to provide a quality Christian education under the Christian tenets provided by the Holy Bible. SFBC&TS embraces opportunities that offer improvements to its programs, services, and institutional effectiveness. SFBC&TS remains committed to the utilization of techniques, methodologies, and measurement systems designed to analyze strengths, weaknesses, and opportunities for improvement, and to implement appropriate processes to effect successful change based on sound formulaic results.

Mission Statement

South Florida Bible College & Theological Seminary is an institution of higher learning where the Bible is central in preparing men and women for ministry to serve Christ and His Church through Biblical thought and Christian life.

Institutional Goals & Objectives

To accomplish its mission, South Florida Bible College & Theological Seminary embraces six goal-oriented objectives.

1. The College and Seminary encourages an actively engaged and inclusive learning community based upon Christian tenets, the Holy Bible, trust, integrity, respect, and diversity in a safe, welcoming physical environment.

2. The College and Seminary will help to prepare students for careers in ministry and for life-long learning by providing a clearly defined general education program, focused undergraduate and graduate programs, and by providing support through information literacy.

3. The College and Seminary will continue to strengthen its role as a provider of graduate education, offering scholarly and/or professional graduate programs including collaborations with other learning institutes and professionals, culminating in student expertise at professional levels.

4. The College and Seminary will offer advising, support services, and learning experiences that aid students in helping to identify life and ministry goals, planning academic careers, and achieving timely graduation.

5. The College and Seminary will promote professional development of all members of its academic community in order to achieve excellence in learning through teaching and ministry.

6. The College and Seminary, as a whole and in all of its parts, will continue to establish thorough priorities and assessment policies that anticipate our needs and focus our efforts and resources in support of our mission, vision, and goals.

Educational Philosophy

South Florida Bible College & Theological Seminary is committed to the ideals of Christian education: the development of the whole person (i.e., spirit, soul, and body). This requires knowledge of God’s Word, development of Christian character, specialized training for service, application of biblical principles, and the promotion of Christian love and unity. SFBC&TS believes that God’s Word alone is sufficient to develop the whole person. All faculty members accept the Bible as the inerrant and final authority in life, faith, and practice.

Doctrinal Statements

SFBC&TS believes it is essential to have doctrinal statements of faith that set forth the general principles of this institution and its theological understandings of Scripture. Applicants, students, and graduates are not required to sign or affirm SFBC&TS’ statements of faith, but they are expected to be in essential agreement with them. SFBC&TS is
interdenominational in character and maintains a conservative, evangelical position. SFBC&TS recognizes the following doctrinal statements of faith.

1. We believe the Bible reveals the mind of Christ and is the inspired, infallible, inerrant, and authoritative Word of God.

2. We believe in the Triune God who is one in substance and three in person- the Father, Son, and Holy Spirit.

3. We believe in the reality of Satan and his present control over unregenerate man.

4. We believe in the deity of our Lord Jesus Christ, His sinless life, His miracles, His vicarious and atoning death through His blood, His bodily resurrection, His ascension to the right hand of the Father, and His prophesized return enacted by the power and glory of the King of Kings and Lord of Lords.

5. We believe in the fall of man and his lost estate, which makes necessary a rebirth through confession of sin and faith in the Lord Jesus Christ.

6. We believe in the reconciliation of man to God by the substitutionary death and bloodshed of our Lord Jesus Christ.

7. We believe in the resurrection of believers unto everlasting life and the resurrection of unbelievers unto everlasting punishment.

8. We believe in the ever-present ministry of the Holy Spirit.

9. We believe in the Ex Nihilo creation of the universe.

Our History

South Florida Bible College & Theological Seminary (SFBC&TS) was established in 1985, by its founder, Dr. Joseph Guadagnino. Dr. Guadagnino wanted to provide a non-denominational institution of higher learning where men and women could fulfill the call of God upon their lives. SFBC&TS began as a Bible Institute in 1985, evolving into a Bible College and Seminary in 1988. The first graduating class was in June 1990, with eighty (80) graduates.

Dr. Guadagnino, having been in the ministry for over twenty-five years, brought great insight and knowledge in how to run a successful ministry. South Florida Bible College & Theological Seminary was in its original location for over 25 years. The facility was originally a movie theatre, called the "Ultra-Vision Theatres," which was the ultimate vision for the ministry of South Florida Bible College & Theological Seminary. In 2011, the Institution moved to a modern facility providing a more traditional college experience for the students.

According to Florida Smart, the State of Florida has:

- Ten State Universities
- Twenty-eight Community Colleges
- Sixty-eight private Colleges & Universities
- Only fifteen of the sixty-eight private Colleges and Universities are Bible Colleges
- Only two of the fifteen Bible Colleges are in Broward County
- Only one of the Bible colleges in Broward County, South Florida Bible College & Theological Seminary, offers all this:
  - Non-denominational focus
  - Undergraduate programs in Theology
  - Graduate programs in Theology
  - Programs in Theology for international students
  - Programs in Theology taught in Portuguese
  - Programs in Theology on campus or by Distance Learning A growing international presence
The only other Bible seminary in Broward County offers graduate-level only courses, and offers them from a reformed, Presbyterian point of view, not a non-denominational view.

In the surrounding counties, Dade and Palm Beach Counties, there are approximately five other Bible colleges, and three of them are Catholic. Of the other two, one school only offers courses on the Internet, and thus cannot accept international students. The other offers a few undergraduate Bible classes, but no theological degrees.

From this it can be seen that SFBC&TS has a unique role to play, not only in Broward County, but in all of South Florida, and the United States. It is the only non-denominational bible college and seminary that can offer both undergraduate and graduate degrees to international students.

In 2016, the Board of Directors appointed the second President of the Institution, Dr. Mary Drabik. Dr. Drabik having been with the institution since 1989, brought with her the experience of running all aspects of an Institution of Higher Learning.

In 2017, the college moved to a 50,000 square foot building to provide for the college’s continual growth and blooming student body.

Through many miraculous interventions from God, South Florida Bible College & Theological Seminary began. SFBC&TS continues to experience miracles and tremendous growth. Please feel free to contact us should you have questions or if you'd like to receive information about SFBC&TS.

SFBC&TS’s blending of the spiritual impact of a Bible College experience with the academic advantages of a college education has resulted in a unique package that can truly offer you “the best of both worlds.” The experience at South Florida Bible College and Theological Seminary includes these strategic elements:
☑ An institution where a student discovers his or her destiny, dream, and calling for life.
☑ An education that is meaningful for each learner, according to personal strengths, talents, and abilities.
☑ A campus where students feel at home with other peers, faculty, and staff.
☑ A place of learning with technology and equipment in a healthy, safe, and well maintained facilities.

**A Christian Setting for the Study of Scripture**
A focus on Bible training, offering a broader theological and denominational perspective of a non-denominational institution that encourages spiritual and academic growth. The Word of God is studied to change the student’s heart, mind and actions.

Faculty are caring and offer the one-on-one mentoring needed to assist students in their participation in the college’s dynamic spiritual formation program. Faculty and administrators care about students and often know the names of many of the faculty and administrators.

Students take leadership roles in the Chapel Service, which provides them opportunities for leadership and spiritual development.

**A Christian Setting for Competition**
The excitement of competition is obvious in a variety of sports settings. Competition defined in a Christian setting is possible through activities such as intramural settings or through competitive settings in smaller settings than large universities and colleges.

**A Christian Setting to Expand Social Opportunity**
Student-led social activities serve to develop leadership skills in students.

The opportunity for social interaction in a Christian context is in itself a learning experience for students.

**A Plan for Service Opportunities**
- Instructors are committed to ministry.
- Training to fulfill the call of God on student’s lives
- Develop networking relationships with established ministries

Secular society has a different motivation for service: self gratification. Christian society promotes service to others based on agape love and reflects the basic theology of caring for others to build a healthy society.

**An Opportunity for Ministry . . . Leadership**
The higher education experience provides many opportunities to be a leader. Degree programs at SFBC&TS about leadership in the church setting and an education experience that puts students into learning situations as soon as possible provide motivation as well as experience for students.

**A Setting for Developing Personal Independence**
The security of caring counselors, spiritual classes with God-centered instruction, and a structure of accountability is often the stage of development where crucial questions concerning core beliefs and long-held values are asked. At SFBC&TS, critical thinking questions are encouraged but the safety net of godly instructors and positive peer groups are present. Students have the opportunity to focus on their purpose and seek God’s will for their future.

1. **General Information**
   Many pastors, ministers, missionaries, church workers, and other professionals often desire a quality Christian education, but are unable to meet attendance requirements at a local college because of their busy work schedules and personal constraints. SFBC&TS' distance education program permits students to pursue a degree program or courses for personal enrichment in the comfort of their own home and based on their own schedules. Distance Education is based upon academic terms already established at the college.

2. **Policy**
   Distance Education is an extension of the parent institution. All SFBC&TS goals, objectives, missions, statements of faith, program criteria, etc., are the same. As students complete degree requirements, evaluations of progress and future work will occur. Distance Education students must fulfill the same forty (40) hours per year Christian service requirement (usually performed weekly) as commuter students. Although convenient, distance education is not a short cut. All programs utilize rigorous curricula and courses that require dedication and research.

3. **Criteria**
   Degree Program students must maintain at least twelve (12) credits per year to remain active. Non-degree students must maintain at least six (6) credits per year to remain active.
All courses are available via distance learning or external studies to anyone, anywhere. Requirements include the following:

- Ability to obtain required textbooks via SFBC&TS or other vendors from USA.

4. Graduation
Upon completion of all requirements, distance education students may participate in the annual commencement ceremony.

Many pastors, ministers, missionaries, church workers, and other professionals often desire a quality Christian education but are unable to meet attendance requirements at traditional colleges due to their busy work schedules and personal constraints. SFBC&TS' correspondence program permits students to pursue a degree or complete a course for personal enrichment in the comfort of their own home.

5. Distance Education
Unlike students who take courses on campus at SFBC&TS, students enrolled in the distance education program are able to complete classes from the comfort of their own home or office. SFBC&TS defines distance students as students who need or prefer to work independently or electronically, due to time, job, family constraints, or location. Through the Distance Education program at SFBC&TS students have the ability to earn a degree and gain personal enrichment from the convenience of their homes and at their own pace. We are confident that students will be able to meet their academic goals and become effective spiritual leaders in both secular and Christian settings.

All new students may request an advisor or counselor upon admission to the college. Academic advisors and counselors are available to provide information on skill prerequisites, help students plan class schedules, discuss curriculum choices, and provide academic personal support. Students are encouraged to meet with an advisor or counselor prior to their first semester and at least annually thereafter. As students’ progress in their program of study, advisors or counselors can identify courses that are yet to be completed.

General Equivalency Diploma (GED)

Persons with a General Equivalency Diploma (GED) from any state must achieve a minimum total SAT score of 960 (reading and math) or an ACT score of 20. Applicants with a GED should also submit high school transcripts from any school attended for review by the Office of Admissions.

Non-traditional High School Program

Persons applying for admission who are participating in a non-traditional high school program must present credentials equivalent to those listed above for GED students.

Auditors
Students may apply for admission to credit courses on a non-credit basis as auditors. Auditors are given less rigid standards than those applied to non-degree seeking and degree seeking students. Students may change from audit to credit or credit to audit only during the official drop and add period.

Transfer Admissions Requirements

Transfer of Credit Policy
SFBC&TS will accept credits for relevant subjects from other schools accredited either by the Association for Biblical Higher Education (ABHE; formerly the Accrediting Association of Bible Colleges), or any national accrediting agency approved by the Department of Education and CHEA. The acceptance of credits from a non-accredited school will be reviewed on an individual basis. Students must complete at least twenty five percent of their degree at SFBC&TS.

Transfer of credit from this institution is at the discretion of the receiving institution.

Conditions of Transfer
Applicants must present a cumulative GPA of 2.0 or higher (4.0=A) on all attempted college work. In order to consider advance standing, the student must submit transcripts from each post-secondary school attended, cumulatively indicating the completion of 60 or more transferable credits by the application entry term. If you have received credit through examinations such as, but not exclusively, the College level Examination Program (CLEP) or Advanced Placement (AP), you must provide official exam results as well.

Students awarded an Associate of Arts degree from an accredited college are admissible to SFBC&TS. Pre-requisites for the major must be met.

All undergraduate transfer and second baccalaureate students who have completed all or part of their education abroad are required to have their foreign credentials evaluated by an accredited independent evaluation service. For a list of accredited evaluations services please see the list of frequently used National Associate of Credential Evaluation Services (NACES) Members. The evaluation should contain a course-by-course description and a grade point average from each institution attended. Please do not send foreign credentials to SFBC&TS. Please send them directly to the evaluation agency.

Initial Academic Status of Transfer Students
Transfer students whose cumulative grade point average at the transfer institution(s) is 2.0 or above on a 4.0 scale are admitted on CLEAR academic status.

A transfer student whose cumulative grade point average at the transfer institution(s) is less than 2.0 on a 4.0 scale is admitted only on ACADEMIC PROBATION. The transcript will read ADMITTED ON ACADEMIC PROBATION.

Graduate:
Have earned a Baccalaureate degree from an accredited College or University (one hundred twenty (120) hours credit or more, including transfer and assessed credit). All prerequisites for degree programs must be met.

If the Masters Student does not have the appropriate Biblical background in their previous degrees, or if in the estimation of the Seminary the student needs reinforcement in certain identifiable subjects, the Seminary reserves the right to assign remedial work to the student. Students in this criteria will be considered provisionally admitted until the completion of the remedial course(s) in question.

Additional Student Requirements
General
SFBC&TS does not discriminate on the basis of race, color, age, gender, national or ethnic origin, or physical handicap.

Christian Service
Students are required to perform Christian service under the supervision of a pastor or other qualified supervisors. This service is usually performed on a weekly or quarterly basis. Christian service is a vital part of training and character building. Depending on the service provided, up to four credit hours may be awarded. Total hours required for the Bachelor of Arts program will be one hundred sixty (160) hours; The Associate of Arts program eighty (80) hours; and for all graduate programs the requirement is eighty (80) hours. Any questions about Christian service should be directed to the Office of Student Services.

Christian Ethics
SFBC&TS believes every aspect of a Christian’s lifestyle must reflect an awareness of God’s Kingdom. It is the special responsibility of those serving as leaders in the body of Christ to live exemplary lives and to encourage excellence in others. These areas include recognition of the authority of God’s Word, service to the Lord, Christian character, modesty in dress and language, and sensitivity toward the needs of others.

Church Membership
Active involvement in a local church is an essential part of the Christian’s life and growth process. It is also a key element in preparation for effective ministry. SFBC&TS requires and expects all students to be a member of, and actively participate in, their local churches.

Students
Two types of students avail themselves of a quality education at SFBC&TS: commuters and distance learners. Commuters are students who attend one or more days per week, or on weekends, to complete degree requirements in a classroom environment. Performance is evaluated from attendance, class participation, examinations, and written papers. Commuters experience special camaraderie with classmates as they proceed through their programs and interact regularly.

Distance learners are students who need or prefer independent study, due to time, job, family constraints, or location. They either earn a degree or gain personal enrichment from the convenience of their homes, and at their own pace. Independent study courses utilize the same curricula commuters follow, but distance learners are required to perform additional reading and research. Distance learners must complete their coursework within three months.

Credit Unit
Students’ courses are evaluated in credit units at SFBC&TS. A unit is defined as a measure representing the traditional academic value of learning activities. One semester hour of credit represents approximately forty-five hours of time (fifteen hours in class and thirty hours of preparation). Typically, courses at SFBC&TS range between 1-4 credit units. Please review the course descriptions for courses and their associated credit units.

Privacy Rights
The Family Educational Rights and Privacy Act (FERPA), established by Congress in 1974 was designed to protect the privacy of educational records, to establish the right of students to inspect and review their education records, and to provide guidelines for correction of inaccurate or misleading data. This right includes the distribution of official and unofficial transcripts [Please review Student Record section listed above.]

Grades Policy
Report cards are issued at the end of each semester after all financial obligations are met. **Grades will not be released until all accounts are paid in full.** [Please review Admissions requirements for additional clauses.]

**Class Standing**

SFBC&TS bases class standing on the number of credits earned at the beginning of any new term, as follows:

- **Freshman:** Less than 29 credits
- **Sophomore:** 30-59 credits
- **Junior:** 60-89 credits
- **Senior:** More than 90 credits

**Housing**

Because SFBC&TS’ students are either commuters or distance learners, housing is not provided. However, on request, SFBC&TS can direct students in locating suitable housing.

**Dress Code**

2. Hair must be neatly groomed.
3. All extreme or faddish modes of dress, grooming, and/or decorative ornamentation are to be avoided.

**Student Disclosure Form**

At the time of application, each student must sign a *Student Disclosure Form*, which states that he/she has read the SFBC&TS Catalog and is in agreement with SFBC&TS’ standards and practices.

**Christian Standards of Living**

SFBC&TS believes every aspect of an individual’s lifestyle should reflect an awareness of the Kingdom of God. It is the special responsibility of those who would serve the Body of Christ in leadership roles to live an exemplary life in order to encourage excellence in others. A truly Christian school environment cannot neglect this dimension of training.

1. Recognition of the authority of the Word of God, specifically with regard to moral standards.
2. Strong personal desire to develop Christian character: “the fruit of the Spirit: love, joy, peace, long suffering, gentleness, goodness, faith, meekness, temperance.”
3. Desire to serve the Lord as expressed in service to one’s fellow man.

An entire area of our administration exists to enhance student life on campus. The Office of Student Services oversees the day to day activities associated with Student life at SFBC&TS. Student Services would like to help students with the following:

1. Develop practical career training and opportunities
2. Provide opportunities for Christian Service
3. Provide Academic Support
4. Develop Student Activities on and off Campus
5. Increase Student Awareness and Capacity of Student Council
Personnel in the Office of Student Services goal is to assist with the transition to college life by helping students gain the most from their college experience. **Medical Information**

The College is committed to making every reasonable effort to provide students with a healthy learning and living environment. The college community has access to emergency and general medical physicians in close proximity to the campus. The Student Life Office has personnel that are available to assist in directing students toward medical care and to provide transportation if necessary.

**Standards of Conduct**

South Florida Bible College is a community of students, faculty, staff, and administration who are joined together for the purposes of academic enrichment, personal development, spiritual growth, and preparation for Christian ministry. Relationships and responsibilities in this community are built upon: (1) the teachings and principles of the inerrant and authoritative Word of God (2 Tim. 3:16,17), (2) the personal accountability of each member to a loving and sovereign
God (1 Peter 1:17), and (3) the inner resources and attributes of the Holy Spirit to guide and minister to each other in all relationships (John 16:13,14).

Members of the South Florida Bible College and Theological Seminary community should seek first and foremost to achieve the goal of 1 Corinthians 10:31, “Whether you eat or drink or whatever you do, do all to the glory of God.” All activities and relationships should seek to accomplish this ultimate objective.

Guidelines for student conduct at South Florida Bible College & Theological Seminary are few but important. Failure to live up to these guidelines may result in discipline, suspension, or dismissal. The guidelines of conduct are enforced.

1. Any conduct that could lead to physical injury or property damage.
2. The use of obscene or profane language.
3. The failure to act with financial responsibility for bills, including rent of house or apartment.
4. The use of tobacco in any of its forms on or off campus.
5. The use or possession of alcoholic beverages, narcotics, addictive or hallucinatory drugs on or off campus.
6. The use of pornographic materials in any form, including the use of college computers to access pornographic sites on the Internet.
7. Untruthfulness, dishonesty in any relationships.

9. As members of a Christian community, we are admonished to avoid certain practices, including, but not limited to, fornication, sexual promiscuity, adultery, pornography, any form of sexual misconduct (including behaviors such as voyeurism, indecent exposure, etc.) and homosexual acts. Students who demonstrate an attitude of disdain or disrespect toward these standards may be subject to disciplinary action.
10. Students who are convicted of a felony while enrolled at SFBC&TS will be subject to immediate disciplinary suspension.

The following categories of discipline will apply to students who experience conduct and/or character difficulties.

**Discipline**

Students who fail to observe college regulations will be subject to one or all of the following disciplinary procedures:

1. Consultation with the Dean of Student Services.
2. A required appearance before the student services committee composed of the Dean of Student Services, one counseling faculty member, one additional faculty member, one staff member, and a student approved, and appointed, by the student development office.
3. Dismissal from college.

**Due Process**

Student rights to due process in disciplinary procedures are specified in the current Student Handbook.

**Drug-Free Schools and Campuses Amendment**

**Campus Crime Awareness**

Reports of criminal or campus violations are to be made to the business office. A complete record of campus crime and/or violation is kept on record for both campus security authorities and local police agencies.

**Privacy Act (FERPA)**

South Florida Bible College & Theological Seminary complies with the Family Educational Rights and Privacy Act of 1974 (FERPA) which gives the student the right to know what information the college maintains about that student, the right to ensure the accuracy of that information, the right to know who has access to files of information and for what purposes, and the right to control to a significant extent the distribution of that information outside the institution.

The college considers some information to be directory information which may be disclosed to others without student permission. This includes, but is not limited to, items such as name, address, telephone number, e-mail addresses, photographs, dates of enrollment, classification, full or part-time status, degree(s) received, awards, honors, program of study, previous institutions attended, date and place of birth, and participation in activities. If a student does not want this information released, he or she must submit a Request to Prevent Disclosure of Directory Information form to the registrar's office. This request remains in effect until revoked in writing by the student.

Educational records will not be released to individuals other than the student except as provided for by FERPA. This provision includes: (1) A parent who claims a student as a dependent on their most recent federal income tax form. The parent must submit a Parental Affidavit for Academic Information to access the student's record. (2) A person to whom a student grants access to his/her educational record by submitting a Student Consent for Release of Records. These forms must be submitted for each request.

Information regarding FERPA and forms necessary to withhold or release information may be obtained through the registrar's office.

**Academic Probation: Undergraduate and Graduate Students**

Undergraduate Students whose cumulative grade point average (GPA) falls below 2.0 at the end of any academic term will be placed on academic probation. Graduate Students whose cumulative grade point average (GPA) falls below 3.0 at the end of any academic term will be placed on academic probation. Periodic meetings with the academic advisors are mandatory while remedying the situation. Tutorial services are available for all students upon formal request.

**Standards of Progress: Academic Probation Procedures**

A student who has not maintained satisfactory grade point averages (Undergraduate – 2.0 GPA or better, Graduate – 3.0 GPA or better) at the end of any semester will be placed on Academic Probation for a minimum of the next semester. If the student has not attained satisfactory progress by the end of the probationary period, the student’s educational benefits will be terminated for unsatisfactory progress.

Students who do not meet the Satisfactory Academic Progress policy are generally warned and placed on probation for one term. Students may appeal any determination given by the Probationary Review Committee in writing. If a student’s educational benefits are terminated, the student may appeal to the Financial Aid committee to have their aid reinstated. Both options are to be completed by submitting a Satisfactory Academic Progress Appeal Form to the Financial Office along with supporting documentation of extenuating circumstances. This must be submitted in writing, either typed or
electronically. **This appeal must be submitted within one week after the student has been denied Federal Assistance.** Common circumstances and procedures used in appeals are:

- Death of a relative
- Personal injury or illness
- Physical disability
- Disagreement with Review Committee actions
- Proof that standards are now being met
- Creation of a revised time frame for work completion
- Other extraordinary circumstances

Notification of action by the Academic Dean to the Financial Office will be mailed or emailed to the student within 20 days of the request.

If a student is readmitted with financial benefits, the student will be awarded all available funds for the current academic year. All costs of attendance incurred during the period of time which a student did not receive financial aid is considered by SFBC&TS the responsibility of the student.

A student who has been dismissed and returns to the school may not receive federal assistance until the student has re-established satisfactory academic progress.

Students who have been reinstated will be provided a written progress or grade report at the end of each quarter. A copy of the report will be placed in the student’s permanent file maintained by the school.

**Attendance: (Commuter/On Campus Students only)**

Attendance will be taken at all class sessions. A substantial portion of student grades includes participation in class discussions. SFBC&TS believes class interaction is necessary to enrich student education. Prompt and consistent attendance is expected for all students enrolled at SFBC&TS. *Chapel attendance is mandatory.* On chapel nights, attendance will be taken by the students’ teachers as part of the students’ grades. Below are the classifications used by SFBC&TS to determine attendance.

1. **Unexcused Absence** – When a student does not provide a formal excuse. In determining a student’s final course grade, the student’s cumulative final score will be reduced for each unexcused absence. When a student has four (4) unexcused absences from any one course in the fall/spring semester or three (3) unexcused absences in the 12-week summer semester or two (2) in the 6-week summer term, it will result in automatic withdrawal from that course, which may result in failure of that course.

2. **Excused Absence** – To qualify as an “excused absence”, your absence must have a formal excuse and be approved by your instructor prior to the particular class absence in question. Excused absences are not cause for automatic withdrawal; however, they may adversely impact overall performance.

3. **Tardiness** – Classes start promptly at the scheduled time. “Tardy” is defined as arriving at least five (5) minutes after the official start time of a particular class. Three (3) “tardies” will be counted as one (1) unexcused absence

**Students Seeking Readmission**

Students returning to SFBC&TS after one year of non-attendance, are required to submit an application for readmission and official transcripts from all postsecondary institutions attended since the last date of attendance at SFBC&TS. Students in this category may be required to complete the admissions process. This determination is at the discretion of the Registrar and the Office of Admissions.

**NOTE:** Returning students are eligible for readmission only if they are in good standing for the last term of attendance. Students who are not in good standing or who have not served designated suspension periods may request readmission
by appeal to the Admissions and Academic Standards Committee. Please see and follow the process for denial of admission listed below.

**Appeal Process for Denial of College Admission**

Applicants who meet minimum requirements and are denied admission to the college may appeal the denial. The decision to admit or uphold denial of admission will be based upon the merits of the applicant’s appeal. SFBC&TS consider appeals submitted within 8 working days of the start date for the desired semester of attendance insufficient time to complete the appeal process. All appeals in this criterion will be reviewed for admittance in the following semester. The appeal process shall consist of the following steps:

**Step 1: Admissions Staff Member**

If an Admissions staff member denies admission to the applicant, the Admissions staff member shall provide the applicant with a copy of the appeal process. If the applicant wishes to appeal the denial, the staff member shall arrange an appeal meeting with the Dean of Admissions within two (2) working days of the denial.

**Step 2: The Board of Appeals**

The Dean of Admissions shall convene the Board of Appeals within three (3) working days of the applicant’s appeal to the Board and advise the applicant of the date, time, and location of the appeal meeting. The Board of Appeals Chairperson shall notify the applicant of the Board’s decision within three (3) working days from the date of the applicant’s appeal meeting and shall provide the applicant with a written copy of the decision. The Board of Appeals shall consist of the following members:

- Dean of Student Life
- Academic Dean
- Member of the Faculty
- Dean of Admissions

The decision of the Admissions Board of Appeals is final and will be reached by simple majority vote. A copy of the Board of Appeals decision shall be maintained in the Admissions Office for two (2) years.

**Misconduct Clause**

The College and Seminary reserve the right to deny admission to an applicant because of past misconduct, regardless of location, that may adversely affect the college community. Therefore, it is important for all applicants to provide complete and accurate information on the admissions application in regard to disciplinary action for scholastic or any other type of misconduct.

**Grievance Procedure**

SFBC&TS’ business and student operations are designed to be administered in an atmosphere of collegiate congeniality. Civility, respect, the Golden Rule, and Christian attitudes and actions are expected of all faculty, staff, and students. Whenever a situation occurs that results in a student or faculty member feeling that he/she has been slighted, harassed, or abused—intentionally or unintentionally—the student or faculty member has a right to formally submit a grievance to the College or Seminary. SFBC&TS will not tolerate such behavior and will always act to rectify the situation. In order for SFBC&TS to officially respond, the student or faculty member must submit a “Grievance Form.” Following policy/procedure concerns only the Student Grievances while the detailed policy and procedures for grievances concerning Faculty can be found in the Faculty Handbook.

The “Student Grievance Form” may be obtained from the Dean of Student Services, the Registrar, or any staff member in the front office.

The Student Grievance Procedures shall apply to student grievances relating to the following:
Student Programs, Facilities, and Services: Allegations of violations of SFBC policies and procedures with respect to programs, services, activities or facilities.
Student Relations: Allegations of unfair treatment from faculty, administration, staff or fellow students.

INFORMAL
- **1a.** The student is to first discuss the problem informally with the fellow student, faculty member, Dean of Student Services’ (DoSS) designee or staff member involved and where appropriate, with supervisors or administrators at sequentially higher levels.
- **1b.** A student may not proceed to formal review unless the informal review with those persons cited above has been exhausted.

FORMAL
- **1a.** If for any reason the grievance is not resolved informally to the satisfaction of the student within a reasonable period (minimum 3 work days; maximum 10 work days) the student should contact the DoSS.
- **1b.** The student shall prepare and submit a formal written complaint on a form provided by the DoSS which shall serve as the basis for all further considerations.
- **1c.** DoSS shall investigate all of the facts upon which the complaint is based. As soon as practicable, the DoSS shall notify the grievant of the results of the investigation.
- **1d.** If for any reason the student is not satisfied with the results of the investigation conducted by the DoSS, he/she may ask the DoSS to submit the matter to the Executive Vice President (EVP)
- **1e.** As soon as practicable, the DoSS shall:
  (i) prepare a statement summarizing the actions taken
  (ii) append such statement to the student's complaint form
  (iii) forward the complaint form to the appropriate Appeal Officer (EVP)
- **1f.** Upon receipt of the formal complaint, the EVP shall review the grievance and the appeal. Within 10 work days following receipt of the complaint, the EVP shall render a decision and convey such decision to the student in writing.
- **1g.** If the student is not satisfied by the decision obtained by the EVP, he/she may ask the EVP to appeal to the President of SFBC or their designee on his/her behalf.
- **1h.** As soon as practicable, the EVP shall apprise the President or their designee of the details of the grievance and serve the President or their designee with a copy of the written complaint.
- **1i.** As soon as practicable after receipt of the written complaint, the President or their designee shall render a final decision which shall be conveyed in writing to the student.

Grievance Procedure Timeline

The following table outlines the order of and timelines for the steps of the grievance procedure. It is in everyone’s best interest to reach resolution in a timely manner; therefore, every effort will be made to stay within the timelines listed below. Given the need to gather facts, and to review the claim, time frames may shift to accommodate schedules as needed; furthermore, the fact that a specified action is delayed does not dictate a breach of process or policy on SFBC’s part.

General

1. **Students**: Complete the entire “Grievance Form” and give it to the Dean of Student Services. The student may be asked to meet with the DoSS in order to discuss the problem and the circumstances involving the incident(s).

2. **Dean of Student Services**: DoSS will undertake the first level of response. DoSS will meet and speak with the offender and inform him/her that his/her actions may be in violation of SFBC&TS’ policies. The offender will be instructed to cease any offending actions and warned not to repeat the behavior.
   a. **Note**: If the offender is an SFBC&TS student, the student’s file will be noted to reflect that he/she received an official warning regarding inappropriate behavior. If the offense continues or either party does not agree with the determination of the DoSS, the situation will be escalated to the EVP or President. In this situation, the EVP or President will counsel the student offender and provide them with a warning which will be placed in their permanent record. The EVP or President will determine the punitive measures the student will receive, which may include suspension and/or expulsion. In the event a student is expelled, no monetary refunds will be made under any circumstances.
   b. **Note**: If the offender is a member of SFBC&TS’ administration, faculty, or staff, the problem should be documented and given in written form to the EVP for evaluation. If the situation cannot be resolved by the EVP, the President should be involved with the process.

3. **Appeal Clause**: Any student or faculty member deemed culpable of inappropriate actions may make a formal appeal to the EVP or President of SFBC&TS. The EVP and President, after reviewing all documents and interview records, may elect to review the determination and speak with the appealer. If the President or Vice President feels the process has been adjudicated appropriately, the President will uphold the decision. If the President or EVP determine the action or process biased they reserve the right to overturn the decision without further consultation.

4. SFBC&TS will retain all documentation on-file in accordance with all applicable rules and regulations.

Miscellaneous General Provisions

**Time Limits**: All time limits contained in the foregoing procedure may be extended in writing by the DoSS, the Appeal Officer (EVP) or the President.

**Confidentiality of Proceedings**: SFBC shall take all reasonable steps to ensure the confidentiality of all proceedings, and the records produced therefrom. However, should any matter developed during the proceedings become public knowledge, SFBC reserves the right to issue appropriate statements.

Reinstatement Policy

*A student who has been officially dismissed from South Florida Bible College for any reason will have two (2) weeks to apply for reinstatement. The student’s entire school record will be reviewed, and a personal interview with the Academic Dean will be required for reinstatement.*

**Discipline**

Rarely is it necessary for disciplinary actions to be imposed at SFBC&TS. When these occasions arise, SFBC&TS follows the restoration and reconciliation process described in Matthew 18:15. Students may be placed on a sixty-day probationary period, which affords ample time for reform.
The President’s Award

This award is given annually to outstanding graduates. The selection is made by the President and faculty based on the student’s total academic experience at SFBC&TS.

Transcripts

SFBC&TS will provide transcripts to students and other institutions on request for a minimal fee, providing all other financial obligations have been met. Contact the Registrar for the fee amount.

The Registrar reports grades in writing to the students after each quarter. All work submitted to SFBC&TS for a final grade becomes the property of the college or seminary.

Academic Integrity

It is the desire of SFBC&TS to create an environment of scholarly inquiry within the bounds of integrity. Christian witness demands scholars present their research in truth and originality. Consequently, SFBC&TS’ administration and faculty take very seriously the issue of academic integrity.

Academic integrity includes a wide range of activities such as writing, testing, etc. The integrity of a student’s work is violated when he/she has been involved in one or more of the following acts:

1. **Cheating**: Because of SFBC&TS’ commitment to truth and moral behavior, any form of cheating will not be tolerated. A student who is suspected of cheating will be confronted, and if found in violation, will be disciplined.

2. **Plagiarism**: “To take ideas, writing, etc., from another and pass them off as one’s own” (*Webster’s New World Dictionary*, 1980, p. 1087). In order to avoid plagiarism, the student must cite completely and
accurately all sources from which an idea or phrase originates. Plagiarism also encompasses the misuse of another’s ideas and is not isolated to words or phrases.

Students are subject to the responsibility of academic integrity, which demands honesty and giving credit to the proper sources. Students who violate these guidelines will be counseled, reprimanded, and punished with a view towards restoration.

**Graduation**

Upon completion of all requirements, distance learners may participate in the annual commencement ceremony.

All students are eligible to attend graduation ceremonies and receive earned degrees. The following must be met to fulfill graduation requirements:

Financial Aid Requirements

Financial Aid

Financial aid consists of funding provided through federal and state agencies that students can use to help cover educational expenses. This funding includes, but is not limited to: grants, loans, and scholarships. For more information about SFBC&TS Financial Aid options go to www.sfbc.edu. At present, federal funding is available for Undergraduate students only. This is subject to change in the future.

How to Apply for Financial Aid

1. Acceptance and/or admittance to SFBC by the Admissions Office
3. Request that the FAFSA information be sent to SFBC&TS.

NOTE: Financial and educational costs are the primary responsibility of both the student and parent(s)-if applicable. The financial aid program at SFBC are designed to enable undergraduate students’ access to various resources that can alleviate financial burden. Financial aid packages are constructed on a case-by-case basis. Each package is based on the individual’s information provided on the FAFSA form.

Who is Eligible

Typically, financial aid packages are determined on the basis of the individual student financial situation. The standardized need analysis that is employed by SFBC is produced and maintained by the U.S. Department of Education.

Once a student’s need has been determined, a financial aid package will be assembled and students will receive notification of their financial assistance by means of an award letter.

When comparing costs at different schools, remember that schools vary in their tuition, financial aid, fees, and other institutional expenses. Make sure that you compare the total cost of attendance when attending a particular school. This will provide you with the proper information for making your decision about attending a college.

If you have questions about financial aid, please contact the SFBC&TS Financial Aid Office at 954-637-2279 or financialaid@sfbc.edu.

Student Loans

South Florida Bible College & Theological Seminary (SFBC&TS) are approved for private student loans. Please contact the Financial Aid Office in order to obtain the School Code and Branch Code.

Institutional Scholarships

The Lightbearer’s Alumni Association of SFBC&TS offers one partial scholarship for students who meet certain academic criteria. Please contact our financial aid office for further details.

**STUDENT RESPONSIBILITIES**

1. Undergraduate students must be considered at least “half time students” to receive financial aid loans. (Half-time enrollment is a minimum of six (6) credit hours per semester.) To qualify for a Pell Grant, a student must be enrolled for a minimum of three (3) credit hours per semester.

2. Students must give priority to paying their college expenses with their financial aid.

3. The Financial Aid Office must be notified of all changes. Since financial aid is disbursed based on enrollment status, failure to maintain the proper status will result in a review of eligibility and may result in the revision or cancellation of all or a portion of the aid.

4. Students must report to the Financial Aid Office the type and amount of any scholarships or other financial assistance received from non-college sources. Such scholarships or assistance may result in a revision or reduction in the amount of aid offered to a student.

**APPLICATION PROCEDURES**

1. A student first must be accepted for admittance into SFBC by the Admissions Department and notified by the Registrar’s Office. Upon this acceptance, if a student is desirous of Financial Aid, he/she must meet with the Financial Aid Office to establish a relationship and begin the process.

2. The student will be instructed to go to the college website (www.sfbc.edu) and follow the instructions on the Financial Aid page found in the “Prospective Students” tab. The student first will be asked to complete a Free Application for Federal Student Aid (FAFSA); once this is successfully completed, he/she will be asked to complete a Student Interview on the college’s Virtual Financial Aid Office (VFAO) website. **NOTE: It is imperative the student completes the FAFSA first; he/she will receive a score called an “EFC” rating that must be recorded on the Student Interview. Failure to do so will result in an inaccurate Student Interview, which could delay a student’s financial aid.**

3. Once both applications are finished, the School will notify the student of the progress of his/her Financial Aid application. In general, it can take anywhere from 5 days to two weeks (depending on the time of year) for the School to get word on the success of the application and the amount of money being given to the student. When a student’s Financial Aid actually arrives at SFBC, he/she will receive any money due to him/her within three or four weeks of arrival, unless the student happens to be in “Evaluation Standing” with the Financial Aid Office (see page 2).

**WHEN TO EXPECT FINANCIAL AID FUNDS**

The time of excess financial aid disbursement occurs after the following conditions have been met:

- A student’s registration is confirmed and all expenses (i.e. tuition, books, fees) are paid;
- A student is determined to be not encumbered;
- A student’s financial aid has arrived at SFBC;
- A student is enrolled in the credit hours required for the appropriate level of aid (full time = 12+ credits; three-quarter time = 9-11 credits; half time = 6-8 credits; less than half time = 3-5 credits)
Note: Courses that are oversubscribed and show as wait listed on your schedule do not count toward the minimum enrolled hours.

The Financial Aid and Business Offices begin processing financial aid refunds the Monday following the final day of “Add/Drop”. All refunds are made in the form of a paper check given directly to the student.

Before disbursing any funds to a student, the business office credits available financial aid funds to the student’s account in the following sequence:

1. Tuition, Books and Fees for the current semester
2. Any outstanding College expenses

If aid funds remain after these accounts are paid for the semester, the business office will issue a refund to the student. Should additional funds become available throughout the semester, they also will be disbursed by the business office.

A student who is entering his/her third semester at SFBC and has maintained at least a 2.0 Grade Point Average (GPA) each semester is considered to be a student in “good standing” with the Financial Aid Office, and he/she should receive their disbursement within three to four weeks of the start of the semester. A student who has attended SFBC for two semesters or less, or a student who has failed to maintain a minimum 2.0 GPA each semester, is considered to be a student in “evaluation standing” with the Financial Aid Office, and he/she should receive their disbursement once Mid-Term grades have been obtained by the office. If the grades meet the 2.0 requirement, the aid will be disbursed within one week. If the grades do not meet the 2.0 requirement, the aid will be disbursed after students meeting the 2.0 requirement are disbursed, and the student will be referred to the Provost and the Dean of Students for Academic Probation consideration.

Important: Students should plan to pay their initial expenses (books, off-campus rent, etc.) from other resources and be reimbursed when their refunds become available.

Financial aid awards that are “anticipated” or “estimated” cannot be credited to student bills.

FINANCIAL AID STATUS APPEALS

Financial aid policies and procedures are established to insure equitable treatment for all students qualified to receive assistance. Because of individual circumstances, a particular student may feel an exception to policies and procedures is warranted. The appeals procedures provide the student with an opportunity to request such an exception. These steps should be followed:

1. Discuss the situation with the Financial Aid Office. In most cases, the office will be able to resolve the issue. If a change needs to be made, or new information needs to be provided, the office will explain what type of revision, if any, is possible. If the revision being requested is denied or requires special consideration, the decision may be appealed to the Financial Aid Review Committee.

2. The Review Committee meets as needed and consists of three members of the school administrative staff. The committee takes requests for appeal in writing. This written appeal should explain in detail what type of revision is being requested and the reason for the request. Any relevant documentation such as copies of medical bills, letters from academic advisors, or letters from parents should accompany this appeal. The written request is to be submitted by the student to the Financial Aid Office, and the office will forward it to the Review Committee. The committee will issue a written reply within two weeks; this written reply will explain the Review Committee’s decision and the reason the decision was made. Questions regarding the decision should be made by appointment with the Chairperson of the Review Committee and/or the person who signed the Review Committee’s written reply.
3. After receiving written notification and discussing the situation with Chairperson of the Review Committee, a final appeal may be made to the President of the school. The President will review the financial situation and the previous Review Committee decision and issue a written reply. This decision is final.

**Dependency Status for Financial Aid Purposes**

Financial aid regulations assume that the student and the parents have the primary responsibility for meeting the educational costs of post-secondary education. The level of contribution is based on ability to pay, not on willingness to pay.

If a student can answer YES to at least ONE question in Step Three of the Free Application for Federal Student Aid (FAFSA), the student is considered “independent” for financial aid purposes, meaning no parent information is to be reported on the FAFSA. The Step Three Questions:

- Were you born before January 1, 19XX (making you 24 or older)?
- Are you working on a master’s or doctorate program?
- Are you married as of the day you file FAFSA?
- Have children who receive more than half of their support from you?
- Have dependents (other than your children or spouse)?
- Are you an orphan, or are you/were you (until age 18) a ward/dependent of the court?
- Are you a veteran of the US Armed Forces?

Per federal regulations, a student may be considered independent if a financial aid administrator determines and documents the student’s independent status based on unusual circumstances. Unusual circumstances are those circumstances, which, in the professional judgment of a financial aid administrator, warrant the student to be considered independent. Examples would include situations in which the student’s parents are physically or mentally incapacitated.

In such cases as disinheritance, parents’ refusal to file any information, or other unique circumstances, the student may not meet the usual requirements for independence, but have no parents’ contribution on which to rely. A financial aid administrator may treat such students as independent if institutional policy permits andjudicious review merits such consideration.

If a student fails to meet the FAFSA criteria for independent student status and can document an irreconcilable break in relationship with each of their parents, they should discuss the situation with a financial aid counselor.

Although married students are considered independent, those that marry after filing the FAFSA cannot update their marital status to be considered independent. You must list your current marital status on the FAFSA at the time you file the form – if you marry after you file the FAFSA, you will list a marital status of single. If you answer NO to all questions in Step Three of the FAFSA, you will be considered a dependent student and your financial aid package will be determined using your parents’ income information.

**Financial Aid Citizenship Requirements**

For federal, state of Florida, and SFBC need-based aid eligibility, a student must be a U.S. citizen or “eligible” non-citizen.

For a non-citizen to be eligible for financial aid consideration, the student must: possess a valid Alien Registration Card I-551 or I-151; be classified as a permanent resident with a valid I-151C Registration Card; or have a passport or I-94 (Arrival/Departure Record) showing one of the following designations:

- Refugee
- Asylum Granted
- Indefinite parole and/or Humanitarian Parole
Cuban-Haitian Entrant

FEDERAL STAFFORD LOANS AND PELL GRANTS

The Federal Stafford Loans and the Pell Grant are disbursed by the government in two equal payments – one for the fall semester and another for the spring semester. However, a student may request that his/her Pell Grant award be divided into three payments if the student wishes to receive money for the summer term. In order for this request to be carried out most successfully, it should be made as early in the fall semester as possible.

Each disbursement is received by the business office and will be used to pay for tuition, books and fees that the student may owe. The business office will notify the student when funds are received and where they have been applied.

If the amount of the disbursement does not cover the fees and tuition due, the student is responsible for paying the balance due as shown on the student’s invoice.

OUTSIDE AWARDS

Funds from outside scholarships or other awards should be sent by the donor to SFBC. The funds are credited to the student’s college account and disbursed in the same way as SFBC scholarships or grants. Outside award checks should be sent to: Business Office, South Florida Bible College, 2200 SW 10th Street, Deerfield Beach, FL 33442.

The check should include the student’s full name, Social Security number, and special instructions for disbursement on a letter or form accompanying the check. Make the check payable to South Florida Bible College, if possible. Indicate the donor’s name on the check.

Although award checks are received year-round, outside awards should be sent before July 1 for the fall semester and November 1 for the spring semester to appear as a “credit” on the fee invoice.

Outside scholarship checks should not be mailed with the student’s fee invoice; checks should be sent directly to the business office at the above address.

STUDENT FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS POLICY

The Division of Financial Aid is required by federal regulation to determine whether a student is enrolled in a degree-seeking program and is meeting satisfactory progress requirements. The student’s official academic record maintained by the Office of the Registrar is reviewed to determine student compliance with this policy.

Grade Point Average Requirements

A student will be considered to be on financial aid probation if he/she is considered to be on scholastic probation. A student will be considered ineligible for financial aid if he/she is dropped from the college for academic deficiency. Students who are dropped from the college for academic deficiency must be out of the college for at least one semester (not including summer session) and must submit separate appeals for re-admission (through the Office of the Dean of Students) and financial aid eligibility reinstatement (through the Financial Aid Office).

Probation Status:

A candidate for an associate or baccalaureate shall be placed on scholastic probation if his/her semester or graduation index at the end of any semester is less than that required for a student with his/her classification as shown in Table A. A student on academic probation shall be removed from that status at the end of the first subsequent semester in which he/she achieves semester and graduation indexes equal to or greater than those required for a student with his/her classification as shown in Table A.

This rule shall not apply for the semester in which the student completes all requirements for his/her degree.

### Credit Completion Requirement

All SFBC students must complete at least 67% of the total cumulative credit hours attempted. For example, a student who has attempted a cumulative total of 60 hours must have successfully completed at least 40 credit hours to meet the requirement (60 x .67 = 40.20; round decimals to whole numbers). A review of cumulative hours is conducted annually at the end of the spring semester. Failure to complete at least 67% of the total hours attempted will result in “credit completion probation” status for the next year of enrollment. Students are still eligible for federal, state, and SFBC-controlled aid while on credit completion probation. A student on “credit completion probation” must successfully complete a minimum 75% of their attempted coursework during their probation year to extend their probationary period; otherwise federal, state, and SFBC-controlled aid eligibility will be denied.

### Maximum Time Frame Requirement

**Students may not exceed a maximum number of attempted hours to complete their degree program as indicated in Table C. Once the maximum attempted hours are exceeded, financial aid eligibility is denied the subsequent semester.** All transfer credits that appear on the transcript are counted in the calculation of cumulative attempted hours.

**Students seeking a second degree at the same level as first degree (i.e., second Bachelor’s, second Master’s, Teacher’s License after Bachelor’s, etc.) must complete a subsequent degree within the maximum time frame or appeal. In an appeal situation, the student should explain the rationale for the pursuit of a second degree.**
### Courses/Grades Used in Determining Satisfactory Academic Progress

All coursework attempted, including repeated, reprieved, or remedial courses or withdrawals recorded at the time of the progress check, is considered when determining if the student has exceeded the maximum number of hours for degree completion and has completed 67% of the total cumulative hours attempted. Transfer work must be reflected on the student academic record to be considered for purposes of financial aid eligibility.

A grade of “A”, “B”, “C”, “D”, “S”, or “P” is considered successful completion of a course. A grade of “F”, “WF”, “IF”, “I”, “PI”, or “W” is not considered successful completion. Audit courses are not counted in the total hours attempted or as successful completion of a course. Correspondence courses may count toward successful completion of hours attempted if they are completed and posted to the academic record by the last day of the semester.

### Appeal Process Upon Aid Suspension

A student denied financial aid based on satisfactory academic progress policy may submit a written appeal to the Division of Financial Aid. The letter of appeal should address in detail any extenuating circumstances that have affected the student’s academic performance.

A student denied for exceeding the maximum hours allowed for degree completion should submit a written appeal explaining the extenuating circumstances that require him/her to exceed the maximum hour limit. The student must also have his/her academic advisor complete an academic progress denial appeal form.

### Refunds / Return of Title IV Aid / Withdrawal Policies

If a student cancels his/her registration before the first day of classes, a complete refund of tuition and fees will be issued. Once classes begin, refunds are prorated based on the official date of withdrawal from class (es). If a student drops hours or withdraws from the college, he/she may be responsible for all or part of any unpaid charges. If a student is eligible for an amount of earned aid not yet received, the student will be contacted by the business office. Refund monies are distributed back to financial aid accounts in accordance with federal regulations.

If a student withdraws from the College during a semester or the summer session, the student may be required to repay a portion of any federal or state financial aid received for use during that period. In addition, each student is charged a $50 Return of Title IV funding fee.

### Unofficial Withdrawal

If a student stops attending all classes during a term without notifying the school, this is called an “unofficial withdrawal”. If an “unofficial withdrawal” occurs, a student will be in danger of being billed for the portion of the financial aid the School is required to return to the federal government. At the end of each semester, the Financial Aid Office does a check of all students who receive F and W grades. The office will notify these students about the problem and require the student work with class instructors to document their last date of attendance.

### Required Enrollment for Financial Aid
Eligibility for Federal and state of Florida student aid at SFBC will be based on the number of credit hours in which a student is enrolled as of the end of the fourth week of classes for the Fall and Spring semesters.

Federal assistance includes the Federal Pell Grant, Supplemental Educational Opportunity Grant, Perkins Loan, Stafford Loan, Parent PLUS Loan, and/or Federal Work-Study. These types of aid usually require at least half time enrollment at SFBC (6 or more credit hours for undergraduates and 5 or more for graduate students). However, the Federal Academic Competitiveness Grant and National SMART Grant require full time enrollment (12 credit hours or more).

Those eligible for the Federal Pell Grant must maintain their planned enrollment or the Pell value must be “prorated” based on the following enrollment levels:

- Full time: 12 or more credits, full time award
- Three-quarter time: 9 to 11 credits, 75% of a full time award
- Half time: 6 to 8 credits, 50% of a full time award
- Less than half time: 1 to 5 credits, 25% of a full time award

Note that if a student drops a course prior to the specified dates, but remains enrolled 12 hours, there is no impact on amount of financial aid.

Military Activation Information

For those SFBC students who are called to active duty while enrolled in the college, the following information may be helpful:

- The Office of the Registrar is the first point of contact regarding withdrawal procedures for SFBC students called to active duty.
- The business office maintains information regarding tuition, fees, and financial aid refund policies for SFBC students who have been called to active duty.
- For student loan repayment/deferment questions, we recommend that affected students contact their lender/servicer.
- NASFAA has created a Reserve/Guard Call-UP Financial Aid page to provide convenient access to guidance and resources (including articles by NASFAA staff) related to the continuing call to active duty of students who are members of the Reserves and National Guard. Students in the Reserve and Guard may also access this resource from the Parents & Students area of the NASFAA Web Site.

MISCELLANEOUS POLICIES

Encumbrances

If a student fails to meet his or her financial obligations to the College, the Office of the Registrar may encumber the student’s records. Encumbered students are not permitted to register for classes or receive a diploma or transcripts.

“Overawards”

It is the student’s responsibility to advise the Financial Aid Office of all scholarships, outside awards, or other resources that the student may receive. If at any time it is discovered that a student has been “overawarded” financial aid, the student is responsible for repaying the amount that exceeds his/her eligibility, regardless of the reason for the “overaward”.

Verification

The Financial Aid Office has the right to request verification of all data submitted on the financial aid application and to adjust or cancel awards accordingly. It is the student’s responsibility to comply in a timely manner with all requests for verification.

If such cancellation is made, the school will promptly refund in full all tuition and fees paid pursuant to the enrollment agreement and the refund shall be made no later than thirty days after cancellation. This provision shall not apply if the student has already started academic classes.

Refund Policy
If the student chooses to make monthly tuition payments, they must complete payments for the entire semester prior to subsequent registrations being accepted. Should the student either drop a course(s) or withdraw from all courses they are required to notify the Registrar’s office by using the appropriate form and submitting that form to the aforementioned office.

Should the student be terminated or the registration is cancelled for any reason, all refunds will be made according to the following refund schedule:

1. Cancellation after the third (3rd) business day, but before the first day of class, will result in a refund of all monies paid with the exception of the registration fee.
2. Cancellation of the contract by the student must be made by certified mail or in person and in writing.
   The college will refund:
3. 100% of tuition charges if the student withdrawal takes place within five (5) calendar days after signing an Enrollment Agreement and making an initial payment.
4. The Drop/Add period is the first five days of classes (Monday through Friday) close of business. There will be a refund if the student withdraws “on” or during the drop/add week.
5. If the student withdraws after the drop/add week, their refund will follow the following schedule:
   1. 2nd Week of class 75%
   2. 3rd Week of class 50%
   3. 4th Week of class 25%
   4. 5th Week of class and later No refund

38
6. If the college does not accept the enrollment, all monies paid by the student to the college shall be refunded and the student and college shall be released from further obligation.

7. If a student is withdrawn from a class due to a class cancellation, the student is entitled to a full refund.

8. Refunds will be made within 30 days of termination or receipt of cancellation notice.

9. Subject to the date of official withdrawal, tuition and fees will be refunded according to the schedule above. Should disciplinary measures that require the withdrawal of a student the above refund schedule will apply.

Registration and application fees are non-refundable after three (3) business days and must be paid in U. S. dollars.

Withdrawal from Courses

SFBC&TS take student withdrawals seriously. Students considering such actions should seek counsel from their advisors and especially from God through prayer. (Please refer to Standards of Progress on Page 28).

1. Students are allowed three (3) withdrawals for every sixty (60) credits completed.
2. Students can only request a withdrawal prior to the completion of 80%.
3. Permission must be provided by and approved by the college.

Most adverse circumstances can be resolved. Prior to withdrawal, students must do the following:

1. Complete a withdrawal form and submit it to the Registrar’s office for review and approval
2. If requested, provide evidence of coursework completion.

Students electing to withdraw always must do so in writing. Contact the Registrar’s Office to withdraw from a course. NOTE: All withdrawals must be in writing or they will not be accepted. All withdrawals are at the discretion of the Registrar and Faculty member overseeing the course. Students can only have two formal withdrawals within one academic school year.
