

Hello SFBC Family!

We have hit an unprecedented moment in our nation from the impacts of COVID-19, as things seem to be changing on a daily basis. We pray with all those affected by this virus, and we stand in solidarity with those around the world, interceding for families and countries greatly impacted.

There are still NO CASES of COVID-19 at SFBC, either among students, staff, or faculty. Because we are committed to the safety of our students, a major shift has taken place regarding how our on-campus classrooms meet. Following recommendations from the CDC and the State of Florida, South Florida Bible College will continue to hold classes online until at least April 10th. All SFBC events that were scheduled to take place during this time are officially postponed or cancelled. As of right now all events that were scheduled after April 15th are still scheduled to take place. Please continue to check back for further updates.

It is such a pleasure to hear that many students are adjusting well to this transition to online learning. Nonetheless, if you are struggling with this transition we are here to help. You can find a detailed video on how to utilize the new system here: <https://vimeo.com/398832793> .

In addition, our library and offices are still open at the moment for students to utilize, whether in person or via the phone. Our office hours during this time will be Monday – Thursday from 9am – 6pm. We will notify you if there are any changes to this schedule. During this time, email will be the best way to reach the necessary staff. Below is useful contact information for students to reach appropriate departments.

As we continue to be limited in our ability to meet in person, we must find creative and innovative ways to come together as the family that we are. As a result, we will continue to hold chapel services online starting next week. All services will be live streamed on our Facebook page where we can join together and worship our Lord. You can access the

livestream here: <https://www.facebook.com/southfloridabiblecollege/> . Please see the below chapel schedule for the remainder of March:

- March 24th: 10:30am
- March 30th: 3:00pm

I pray that we can get through this period and season quickly, and that our student body does not suffer as a result of this. May we all continue to reach out and help each other in this difficult time. Reach out to your fellow students and lend a helping hand to those in need. Let us never forget our call to care for the others in this world and let us be a beacon of light to those around us in all that we do.

Blessings,

Josiah Stephan, Executive Vice President
