FUNDING OPPORTUNITY: NURSING PROGRAM

DESCRIPTION: Because of the critical shortage of skilled nurses throughout America and the world regarding humanitarian relief organizations, South Florida Bible College and Theological Seminary (SFBC&TS), **subject to funding**, will establish a Nursing Program. When this program is fielded, students will be able to graduate with a **Bachelor of Science in Nursing (BSN)**. South Florida hospitals and medical clinics will be the primary beneficiaries of this influx of nurses. A start-up period consists of three phases over five years.

PHASE 1: Acquiring beyond our current Association for Biblical Higher Education (ABHE) accreditation, The Southern Association of Colleges and Schools Commission on Colleges accreditation and approval by the State of Florida. This phase is estimated to take two years from the time of funding. **Total Phase 1 cost is \$100,000.**

PHASE 2: Library expansion, Nursing Program academic area creation and equipping, and staff and curriculum ramp-up. This is estimated to take a year with the help of a consultant. **Total Phase 2 cost is \$500,000.**

PHASE 3: Two years of Nursing Program pilot operations which needs an adequate funding contingency to cover unexpected costs. **Total Phase 3 cost is \$1,400,000.**

RECOGNITION: Donor recognition (subject to Board approval) is available.
