Unrestricted & General Fund

Description: South Florida Bible College & Theological Seminary (SFBC&TS) has established this funding opportunity to provide the flexibility to allocate resources where they are needed most, ensuring continued growth and success across various programs.

Benefit: This fund enables SFBC&TS to expand and enhance its programs without the risk of cutting funding due to unforeseen expenses. We are committed to maintaining excellence in our award-winning, fully accredited programs, which are accredited by the Association for Bible Higher Education. Students have the option to choose between online or on-campus education. Graduates from our undergraduate, graduate, and doctoral programs are equipped for a wide array of career opportunities, including roles in business, clergy, ministries, missions, global missionary work, social services, education, communication, doctoral studies, research, and authorship. Additionally, SFBC&TS is proud to offer tuition rates that rank in the Top 10 nationally, with no out-of-state tuition fees. While many other institutions have raised their tuition, SFBC&TS, as a nonprofit organization, has kept costs low to ensure accessibility to quality education.

Annual Cost: Any contribution, regardless of size, makes a meaningful impact.

Your Gifts at Work: SFBC&TS has an exceptionally low fundraising cost of just 4 cents per dollar raised, compared to the national average of 20 cents. This means that 96% of your donations go directly to supporting our ministry. Our financials are available on our website or through Candid-GuideStar, where we proudly hold the highest Platinum rating.

Recognition: Recognition is available upon request.
